## 5.1.3 Percentage of students benefitted by guidance for career counselling offered by the institution during the last five years

Academic Year: 2018-19

Year	SL.NO	Details of career counselling		
		Name of the Activity	Number of students participated	Number of students placed
2018-19	1.	Career Opportunities in Electrical and Electronics Engineering By Mr. Saranjeet Alumni 1998 Batch	35	185
	2.	One day Seminar on Exploring emerging technologies in electrical engineering by V.Sandeep Asst. Professor CUK Kalburgi Contact No : 8861290060 Email :sandeep@nitandhra.ac.in	70	
	3.	Expert talk on Personality Development, Recent trends in IT Industry	60	
	4.	Workshop on preparing for professional career	105	

Date: 10/09/2018

## **Circular**

Dear Students,

I am pleased to announce that we will be organizing Guest Lecture on "Career Opportunities in Electrical Engineering" By Mr. Saranjit Singh 1998 Batch Alumni of EEE Dept on 12/09/2018

So it is here by informed all the final year and pre final year students to attend the session without fail and get the benefits of the same.

One Day Seminar organized by EEE Department On **Exploring Emerging Technologies In Electrical Engineering** by **Dr. Sandeep Vuddanti (Phd IITD)** Central university of Karnataka , kulaburgi

The Resource person talked about

- Why B.Tech / M.Tech Projects are so important and more focused Placements / Job opportunities , Higher Education Studies , Project based learning
- Adding to your CV / Resume , Skill Development.
- What is the expected outcome of B.Tech / M.Tech Projects , Skill development , In-depth knowledge , Publications , Awards (innovative) , Practical / field deployment , Entrepreneur / start-up company
- What are the benefits acquired during Project work • Skill sets (programming languages / simulation / hardware) , Experience , Self - study , Recognition / Appreciation , Connectivity with experts , Personality Development (communication, seminars, team work etc).
- Important questions with every project student , How to choose a project topic , Whom to choose as a project guide or mentor , What are the references / literature , How to execute or implement the project , How to overcome any challenges or difficulties during project if arise , Whether the project will be completed within time , What will be the scope or applications of project • What makes the project as an innovation.
- How to choose a project topic ?
- How to execute an Academic Project successfully ?
- Identify "Area of Work" , Decide "Problem to be addressed" , Set "Objectives" , Carefully do "Literature Survey" , Study "State of the Art" , Plan "Scope of Work" , Make ready "Proposed Project plan" , Set "Action Plan / Road Map / Targets" , Review and Revise / optimize of the Work , Project submission
- Emerging and focused areas / topics in Electrical Engineering
  - Renewable Energy Systems (Solar and Wind)
  - Power Electronic Converters
  - Electric Drives
  - Electric Vehicles
  - Smart grids (future power systems)
  - Microgrids
  - DC Grids
- Energy Storage Technologies

Guru Nanak Dev Engg. College Bidar

**The main conclusions of this explorative seminar :**

Emerging technologies will increasingly influence all parts of our society. they are expected to affect education more profoundly than anything before. To decide about the value for education we must develop an understanding of these technologies, which will allow students, teachers and institutions to judge if and how

such technologies can help to improve teaching and learning.

Due to the complexity, the diversity, the speed of development and the decay, education

is challenged to develop an approach that can make these technologies work.

For education to fully benefit from the opportunities it is eminent to develop a pro-active, sustainable strategy as part of an inter-institutional approach to deal with these challenges from an educational perspective.

**Date:** 01-04-2019

**Time of event:** 12:00 AM

**Event Type:** Offline

**Objective of Program:**

To provide an overview of competitive exam like GATE/GRE/TOFEL, job opportunities in MNCs, defense sector & various other government organizations.

To motivate students for higher education & its advantages

**Profile of Resource person:**

Name: Gp. capt. Jastaj Singh

Designation: Group captain Indian Airforce

Organization: Currently working with DRDO Bangalore.

**Details of Program:**

A session on "Career Guidance" was organized by the ECE Dept GNDEC Bidar on 1-4-2019. Coordinator of webinar Prof. Nitin K welcomed the gathering and the resource person of the webinar Gp. capt. Jastaj Singh. Further the resource person was introduced to the audiences.

Gp. capt. Jastaj Singh is alumnus of GNDEC Bidar. Has completed B.E(ECE) in 1992. He has a total work experience of 20 years and worked on various government projects.

Gp. capt. Jastaj Singh delivered the talk on "Career Guidance" and shared his wisdom and experience. Career Guidance answered the questions of students and staff.

All the staff members and students attended the webinar. Finally the webinar was concluded with vote of thanks.

**Program Outcome:**

Students got an overview of competitive exam like GATE/GRE/TOFEL, job opportunities in MNCs, defense sector & various other government organizations. Students got motivated for higher education.
