To accelerate the efforts to achieve universal sanitation coverage and to put the focus on sanitation, the Prime Minister of India had launched the Swachh Bharat Mission on 2nd October 2014. Under the mission, all villages, Gram Panchayats, Districts, States and Union Territories in India declared themselves "open-defecation free" (ODF) by 2 October 2019, the 150th birth anniversary of Mahatma Gandhi, by constructing over 100 million toilets in rural India. To ensure that the open defecation free behaviours are sustained, no one is left behind, and that solid and liquid waste management facilities are accessible, the Mission is moving towards the next Phase II of SBMG i.e ODF-Plus. ODF Plus activities under Phase II of Swachh Bharat Mission (Grameen) will reinforce ODF behaviours and focus on providing interventions for the safe management of solid and liquid waste in villages.

Swachh Bharat Abhiyan, also known as the Clean India Mission, is a national cleanliness campaign launched by the Indian government in 2014. The aim of the campaign is to make India clean and open defecation-free by October 2, 2019, the 150th birth anniversary of Mahatma Gandhi, the father of the nation.

Some of the key objectives of the Swachh Bharat Abhiyan are:

1. To eliminate open defecation and promote the use of toilets and proper sanitation facilities.
2. To ensure the proper collection, segregation, and disposal of solid waste in a scientific manner.
3. To promote cleanliness, hygiene, and sanitation practices among individuals and communities.
4. To create awareness about the health and environmental impacts of poor sanitation and hygiene practices.
5. To encourage the participation of individuals, communities, and organizations in the cleanliness drive.
6. To promote the use of clean and renewable energy sources for sustainable development.
7. To ensure the proper management of wastewater and sewage to prevent water pollution.
8. To improve the overall cleanliness and hygiene of public places, including streets, parks, and tourist destinations.

With these objectives in mind, NSS volunteers of MBA Department, GNDEC Bidar, organized and participated in cleanliness drives, awareness campaigns, and educational programs to promote proper waste disposal, clean toilets, and safe drinking water.
